**DETAILED ACTION**

***Allowable Subject Matter***

Claims 7-9 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or teach first and second rotating eccentrics having angle sensors, position sensors and control means, a primary control unit connected to first and second control and monitoring devices where the primary control unit has an input for receiving a control signal indicative of parameters for a specific force diagram and acts to control the motion of the first and second eccentrics as recited in claim 7. The prior art of record does not disclose or teach first and second rotating eccentrics defining a common axis of rotation and having a mass center whose axis of rotation corresponds to said common axis of rotation in combination with the other features of claims 8 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
